In accordance with Regulation 40 of the SEBI (Listing Obligation and Disclosure Requirements) Regulation 2015 all requests for transfer of securities, including transmission and transposition requests, shall be processed only in dematerialised form. In view of the same and to get inherent benefits of dematerialisation, Members holding shares of the Company in physical form, are requested to kindly get their shares converted into dematerialised form. Members can contact Company's RTA at mail to: lalitap@alankit.com for assistance in this regard. Further, Members may please note that SEBI vide its Circular dated 25th January 2022 mandated listed companies to issue securities in demat form only, while processing any service requests viz. issue of duplicate securities certificate; claim from Unclaimed Suspense Account; renewal/ exchange of securities certificate; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition.

24. The unclaimed/ undelivered shares lying in the possession of the Company was dematerialized and transferred into an "Unclaimed Suspense Account". Shareholder who has not yet claimed their shares are requested to immediately approach the Company by forwarding a request letter duly signed by shareholders including all the joint shareholders furnishing the necessary details to enable the Company to take necessary action.
25. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they maintain their demat accounts. Members holding shares in physical form are requested to submit their PAN details to the Company.
26. According to the Finance Act, 2020, dividend income will be taxable in the hands of the Shareholders w.e.f. 1st April 2020, and the Company is required to deduct tax at source (TDS) from the dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 ('the IT Act'). In general, to enable compliance with TDS requirements, Members are requested to complete and/ or update their Residential Status, PAN, and Category as per the IT Act with their Depository Participants ('DPs') or in case shares are held in physical form, with the Company by sending documents to enable the Company to determine the appropriate TDS/ withholding tax rate applicable, verify the documents and provide exemption.

The applicable Tax Deduction at Source (TDS) provisions under the Act for Resident and Non-Resident shareholder categories are as follows:

a. For Resident Shareholders:

Tax shall be deducted at source under Section 194 of the Act, 1961 at 10% on the amount of Dividend declared and paid by the Company during FY 2025-26 provided the Shareholder fulfills the following conditions:

- i. Furnishes valid Permanent Account Number (PAN), linked with Aadhar wherever applicable.
- ii. Is not a non-filer of Income tax return specified under section 206AB of the Act?

If any of the above mentioned condition is not fulfilled, TDS would be deducted @ 20% as per provisions of Section 206AA/ 206AB of the Act.

Further, no Tax shall be deducted on the Dividend payable to Resident Individual if the total dividend to be received by him from the Company during FY 2025-26 does not exceed Rs. 10,000/-.

Separately, in cases where an Individual Shareholder provides Form 15G (applicable to an Individual less than sixty years age) / Form 15H (applicable to an Individual who is of the age of sixty years or more), provided that the eligibility conditions are being met, no TDS shall be deducted. You can also download Form 15G / 15H from the Income-tax website www.incometaxindia.gov.in

For below Resident Shareholders, Dividend will be paid after deducting the tax at source as follows:

Particulars	Applicable Rate	Documents required (if any)
Submitting order under Section 197 of the Act	Rate provided in the order	Lower/NIL withholding tax certificate obtained from tax authority.
Shareholders (e.g. LIC, GIC) to whom Section 194 of the Act is not applicable)	NIL	Documentary evidence that the said provisions are not applicable.
Persons covered under Section 196 of the Act (e.g. Mutual Funds, Govt.)	NIL	Documentary evidence that the person is covered under said Section 196 of the Act.

b. For Non-Resident Shareholders

For Non-resident Shareholders, taxes are required to be withheld in accordance with the provisions of the Section 195 of the Act at the rates in force. As per the relevant provisions of the Act, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of Dividend payable to them.

However, as per Section 90 of the Act, the Non-Resident Shareholders have an option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the Shareholder, if they are more beneficial to them. For this purpose, i.e. to avail the Tax Treaty benefits, the Non-Resident Shareholders will have to provide the following:

- Tax Residency Certificate (TRC) for current financial year as obtained from the tax authorities of the country of which the Shareholder is resident.
- Electronic form 10F, as generated from Income Tax e-filing portal, <https://www.incometax.gov.in/iec/foportal>
- PAN allotted by the Indian Income Tax authorities, if any
- Self-declaration in the attached format certifying the following points:
 - i. Shareholders are and will continue to remain a tax resident of the country of their residence during the Financial Year 2025-26;
 - ii. Shareholders are eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;

- iii. Shareholders have no reason to believe that their claim for the benefits of the DTAA is impaired in any manner;
- iv. Shareholder is the ultimate beneficial owner of shares held in the Company and dividend receivable from the Company.
- v. Shareholder does not have a Business Connection or a Permanent Establishment in India during the Financial Year 2025-26.

Please note that the Company is not obligated to apply the beneficial DTAA rates at the time of tax deduction /withholding on dividend amounts. Application of beneficial DTAA Rate shall depend upon the completeness and satisfactory review by the Company, of the documents submitted by Non- Resident Shareholder.

Accordingly, in order to enable us to determine the appropriate TDS / withholding tax rate applicable, we request you to provide these details and documents as mentioned above by on or before 11th July 2025.

For Shareholders having multiple accounts under different status / category:

Shareholders holding shares under multiple accounts under different status / category and single PAN, may note that, higher of the tax as applicable to the status in which shares held under a PAN will be considered on their entire holding in different accounts.

Kindly note that the aforementioned documents should be emailed to Alankit Assignments Limited, the Registrar and Transfer Agent ("Alankit") of the Company, at lalitap@alankit.com. No communication on the tax determination / deduction shall be entertained on or after 15th July 2025.

Copies of the TDS certificate will be emailed to you at your registered email ID in due course, post payment of dividend. Shareholders will also be able to see the credit of TDS in Form 26AS, which can be downloaded from their e-filing account at <https://www.incometax.gov.in>.

No claim shall lie against the Company for such taxes deducted.

- 27. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or staying abroad or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participants and holdings should be verified.
- 28. Members are requested to register their email address and contact details with the Company, by writing to the Secretarial Department at the corporate office, or at the e-mail ID: investors@ptlenterprise.com. This will help us in promptly sending of notices, annual reports and other shareholder communications from time to time in electronic form.
- 29. Since the AGM will be held through VC / OAVM Facility, the Route Map is not required to be annexed with this Notice and hence not attached.
- 30. The Explanatory Statement setting out the material facts and reasons pursuant to Section 102 of the Companies Act, 2013 (the 'Act') is given in the Annexure to the notice.
- 31. Additional information on Directors and Manager, being appointed/re-appointed as required under [Pursuant to Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 and clause 1.2.5 of the Secretarial Standard -2] are as follows :

ANNEXURE TO THE NOTICE

The Explanatory Statement setting out the material facts and reasons pursuant to Section 102 of the Companies Act, 2013 (the 'Act')

Item 4: Appointment of Mrs. Sonali Sen as an Independent Woman Director

Mrs. Sonali Sen (DIN- 08736062) was appointed as an Independent Woman Director on the Board of the Company pursuant to the provisions of Section 149 of the Act read with the Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulations 17, 25 and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). She holds office as an Independent Woman Director of the Company up to 18th May 2025 ("first term" as per the explanation provided under Sections 149(10) and 149(11) of the Act).

The Nomination and Remuneration Committee, based on the report of performance evaluation of Director rated her with highest rating as an "Excellent" and has recommended re-appointment of Mrs. Sonali Sen as an Independent Woman Director for a second term of 5 (five) consecutive years on the Board of the Company.

The Board, based on recommendation of the Nomination and Remuneration Committee, considers that, given her background and experience and contributions made by her during her tenure, the continued association of her would be beneficial to the Company and it is desirable to continue to avail her services as an Independent Woman Director. Accordingly, it is proposed to re-appoint Mrs. Sonali Sen as an Independent Director of the Company, not liable to retire by rotation and to hold office for a second term of 5 (five) consecutive years with effect from 19th May 2025 to 18th May 2030, on the Board of the Company.

Section 149 of the Act and provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 inter- alia prescribe that an Independent Director of a Company shall meet the criteria of Independence as provided in Section 149(6) of the Act. Section 149(10) of the Act provides that an Independent Director shall hold office for a term of up to five consecutive years on the Board and shall be eligible for re- appointment on passing a special resolution by the Company and disclosure of such appointment in its Board's report. Section 149(11) provides that an Independent Director may hold office for up to two consecutive terms.

Mrs. Sonali Sen is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given her consent to act as a Director. She is not debarred from holding the office of Director pursuant to order of SEBI or any other authority.

The Company has also received declarations from Mrs. Sonali Sen that she meets the criteria of Independence as prescribed both under Sub-Section (6) of Section 149 of the Act and under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In the opinion of the Board, Mrs. Sonali Sen fulfils the conditions for re- appointment as an Independent Woman Director as specified in the Act and in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Mrs. Sonali Sen is Independent of the management. The Company has received requisite notice, as provided under Section 160 of the Companies Act, 2013 from a member, proposing the appointment of Mrs. Sonali Sen as an Independent Woman Director not liable to retire by rotation.

Details of Director whose re-appointment as an Independent Director is proposed is provided in the Notice in Item No. 4, pursuant to the provisions of (i) the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India. Copy of draft letter of re-appointment of Mrs. Sonali Sen setting out the terms and conditions of appointment shall be made available for inspection to the members, up to the date of meeting, through electronic mode.

Board of Directors, therefore, recommend the re-appointment of Mrs. Sonali Sen as an Independent Woman Director of the Company, for another term of 5 (five) consecutive years on the Board of the Company, not liable to retire by rotation, as set forth in Item No. 4 of this Notice as a Special Resolution. Save and except Mrs. Sonali Sen and her relatives, none of the other Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the above Resolution.

Item 5: Appointment of Mr. Anil Kumar Sriwastawa as a Manager

Mr. Anil Kumar Sriwastawa, was designated as a “Manager” and “Key Managerial Personnel” of the Company under section 196, 197, 198 and 203 read with Schedule V of the Companies Act, 2013 (hereinafter referred to as “the Act”) and other applicable provisions under the Act, with effect from 15th May 2025 for a period of 5 (five) years by the Board of Directors in its meeting held on 14th May 2025 on the basis of the recommendation of Nomination and Remuneration Committee, subject to the approval of the shareholders.

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

1. Brief outline on CSR Policy of the Company.

PTL believes in inclusive development and committed for providing the quality of life for communities residing near its manufacturing locations. The company's Corporate Social Responsibility (CSR) strategy is thoughtfully aligned with National and the United Nations Sustainable Development Goals (SDGs), to ensure that its initiatives contribute effectively to both national and global development agendas. PTL involves key stakeholders and collaborates with them to enhance the impact of its CSR efforts and drive long-term, sustainable changes.

All CSR initiatives are carried out through Apollo Tyres Foundation (ATF) registered in 2008 as a Trust. The organisation has categorised its CSR initiatives in 4 core thematic areas:

- I. Solid Waste and Sanitation Management
- II. Livelihood for Rural Women
- III. Biodiversity Conservation
- IV. Local Initiatives

I. Solid Waste Management

SPARSH programme is a cleanliness initiative focused on waste management and sanitation linked with SDG Goal 11: Sustainable Cities & Communities and Goal 12: Responsible consumption and Production. SPARSH stands for – S – Segregate Waste; P – Practise Composting; A – Awareness Generation; R – Reduce, Reuse & Recycle; S – Safe Sanitation; H – Hygiene for All. SPARSH initiative has following components in this location:

- Clean My Village (CMV)
- End life of tyres (ELT)
- Clean my village (CMV)

In F.Y. 2024-2025, a new CMV project focusing on the management of fabric waste was initiated. A dipstick survey revealed that people are facing challenges in disposing of fabric waste, particularly post-consumer, which they dump along with other household waste. Currently, neither the Kerala Sucheta Mission nor the respective Local Self-Governments (LSGs) have a clear solution for management of fabric waste.

A pilot project was initiated in Perambra and Kalamassery location including 22 Panchayats. Out of 25 panchayats 13 were selected from Kalamassery region and 9 were selected from Perambra. This year approx. 1,95,722 kg Fabric waste was collected. Post collection, fabric waste was sorted and sent to textile recyclers.

- End of Life Tyres (ELT) Playgrounds

In F.Y. 2024-2025, maintenance work was carried out on five ELT playgrounds established in the previous years in 5 different schools located in Airapuram, North Paravur, and Kalamassery. The playgrounds were repaired and refurbished to ensure longevity and continued usability. These ELT playgrounds are supporting physical development and promoting awareness to over 2500 children about recycling and sustainability.

II. Livelihood for rural women – Navya Programme

In 2015, Navya programme was initiated in Kottayam region with an aim to provide livelihood opportunities at the doorsteps of the women from the tapper community. Navya programme also aligns with SDG 1 (No Poverty), SDG 5 (Gender Equality), and SDG 8 (Decent Work and Economic Growth), addressing issues related to poverty, gender inequality, and women's empowerment.

Women involved in the project undergo training in both agricultural and non-agricultural activities as per their needs. These trainings build and strengthen the capacities of women, also enables them to take up income-generating

activities. Women are also connected with financial institutions for credit support and linked to various government welfare schemes. Furthermore, they are introduced to markets and supported in establishing business links for promotion and expansion of their enterprises.

Till date, over 1,500 women has been benefitted from the livelihood initiative. Total 52 Self Help Groups (SHGs) are formed, outreaching 937 women. In the reporting year, 120 new beneficiaries were engaged in various activities, and 15 women (combination of new and previous year's beneficiaries) were linked with government welfare schemes.

In F.Y. 2024-2025, the Navya Programme continued its support in the Manimala and Vellavoor Panchayats of Kottayam. During the year the project focused on strengthening the livelihood units established at Kottayam for the women of runner tapper community. In the F.Y. 2024-2025 the project supported apiculture farming and rubber sheet farming beneficiaries.

Under apiculture farming 120 new women were outreached and provided with Honey boxes. A total of 12000 bee boxes (6000 empty boxes and 6000 boxes with bees) were distributed and each woman received 10 boxes (5 boxes with honeybees and 5 boxes empty). They underwent skill development training focused upon management of honey boxes and honeybees rearing. Each woman was able to produce average 5kg honey in the month of march and were able to generate cumulative income of Rs. 1,75,000.

Under Rubber sheet making unit, the focus was given on strengthening the unit. In F.Y. 2024-2025, the unit collected 80,036.91 kg latex from the farmers and produced 87,711 rubber sheets and were able to generate Rs. 2,03,200 income. As the income generated from sheet making unit is seasonal, the beneficiaries were also engaged in other income generation activities such as umbrella making and soap making to support the sustainable income for the whole year. Beneficiaries from the sheet making unit were also linked with MGNREGP (Mahatma Gandhi National Rural Employment Guarantee Programme) activities. Under this scheme, they were able to get INR 346 per day during the off season.

During the year, A smokehouse facility with a daily capacity of 500 sheets was established. Once it is operational, this facility will help women to dry rubber sheets independently and explore value-added rubber products, ensuring more sustainable income throughout the year.

III. Biodiversity Conservation

Under Biodiversity Conservation theme, the company continued to conserve community parks. In F.Y. 2024-2025, continued the regular maintenance of Cochin Science Park. The principal aim of the project is to develop the Cochin Science Park campus as a Biodiversity rich area with thematic gardens and as an education center for the conservation of Biodiversity. The company has developed various thematic garden in Science Park such as a botanical garden across 4 acres, including 3.5 acres of Mexican grass, which has made the playground more inviting for children. A 12-cent butterfly garden with 32 species of nectarine plants has helped increase the butterfly population. To raise awareness about natural remedies, a medicinal plant garden is established with over 70 rare species. Regular maintenance is done for all the thematic garden by the company. In the fiscal, over 1,40,000 people visited this park.

Additionally, under the Biodiversity Conservation theme an orientation visit was planned for Mrs. Sonali Sen, Independent Director, PTL to give the exposure about the CSR projects implemented by the company. She also attended an event celebrating Wetland Day and visited the recently opened Mangrove Park.

IV. Local Initiative

In addition to the above core themes, the following local initiatives were undertaken to address the immediate needs of the local community in F.Y. 2024-2025. Local initiatives are implemented in the 30-50 km radius of the manufacturing locations.

- **Ponds maintenance**

Regular maintenance of the two ponds restored in previous years continued in F.Y. 2024-2025. These ponds play a vital role in meeting the water needs of the surrounding communities and require periodically essential maintenance for effective rainwater harvesting. These ponds are in Therikkulam and Elanjikulam villages, under the 19th and 13th

wards of Kalamassery Municipality and serve as significant source of water supply. The ponds provided direct in support of agricultural activities, farming, and household use for over 6,000 residents in the surrounding areas.

- **Road safety activities**

At the request of the City Traffic Police Commissioner, barricades were installed on NH-544; approx. 250-meter stretch from Metro Pillar No. 250 to 258. This stretch of highway has witnessed frequent accidents, particularly involving pedestrians crossing the road. This safety measure will reduce the risk of accidents for average 300 pedestrians crossing the national highway specially during peak hours.

- **International Day Against Drug Abuse and Illicit Trafficking**

To mark the International Day Against Drug Abuse and Illicit Trafficking on 23rd June 2024, a cycle rally was organised in collaboration with the Narcotics Control Bureau, Cochin, and the Ernakulam Cycle Association. The primary objective of the rally was to spread awareness and support global efforts in combating drug abuse and illicit trafficking. Approximately 150 cyclists from various parts of Ernakulam city participated in the event. This year's theme, "Evidence is Clear: Invest in Prevention," urges communities and policymakers to adopt evidence-based approaches for prevention.

REPORT ON CORPORATE GOVERNANCE

[Pursuant to Regulation 34 & 53 read with Schedule V of SEBI
(Listing Obligations & Disclosure Requirements) Regulations, 2015]

PTL's governance framework enjoins the highest standards of ethical and responsible conduct of business to create value for all stakeholders. It continues to focus on good corporate governance in line with emerging local and global standards. It understands and respects its fiduciary role in the corporate world. Besides adhering to the prescribed corporate governance practices as per Regulation 4(2) read with Chapter IV of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company voluntarily governs itself as per highest standards of ethical and responsible conduct of business in all facets of its operations and in all interactions with its stakeholders including shareholders, employees, consumers, lenders and the community at large.

The prime focus of Companies Act, 2013 (the "Act") and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, is on shareholders' democracy, higher transparency and more disclosures, e-governance, investor protection/minority shareholders, and on Professionals' enhanced role & accountability. The current Annual Report of your Company contains all the information and disclosures that are required to be given under the Act / Listing Regulations.

This integrated report, along with the report on Management Discussion and Analysis and additional shareholders information provides the details of the implementation of the Corporate Governance code by your Company as contained in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Board of Directors of the Company are pleased to present the Corporate Governance Report for the Financial Year 2024-25. The Shareholders and Investors of the Company will find the information useful and informative.

Company's policies on the Corporate Governance and due Compliance Report on specific areas wherever applicable for the year ended 31st March, 2025 are given hereunder and divided into the following sections:

CORPORATE GOVERNANCE PHILOSOPHY

PTL's Corporate Governance brings direction and control to the affairs of the Company in a fashion that ensures optimum return for all the stakeholders. Corporate Governance is the broad framework that defines the way in which the Company functions and interacts with its environment. It is in compliance with all the laws and regulations, leading to effective management of the organization. Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are managed in a manner that ensures accountability, transparency, and fairness in all transactions in the widest sense. The objective is to meet stakeholders' aspirations and societal expectations.

Good Governance practices stem from the dynamic culture and positive mindset of the organization. We are committed to meet the aspirations of all our stakeholders. The demands of Corporate Governance require professionals to raise their competence and capability levels to meet the expectations in managing the enterprise and its resources effectively with the highest standards of ethics. It has, thus, become crucial to foster and sustain a culture that integrates all components of good Governance by carefully balancing the complex inter-relationship among the Board of Directors, Board Committees, Finance Executives, Compliance Executives and Auditors and the Senior Management.

Corporate Governance is an upward-moving target that we collectively strive to achieve. Our multiple initiatives towards maintaining the highest standards of Governance are detailed in this report.

Your Company seeks to execute the practices of Corporate Governance by maintaining strong business fundamentals and by delivering high performance through relentless focus on the following:

- 1. Transparency:** - By classifying and explaining the Company's policies and actions to those towards whom it has responsibilities, including its employees. This implies the maximum possible disclosures without hampering the interests of the Company and those of its stakeholders. The Company believes in promotion of ethical values and setting up exemplary standards of ethical behavior in our conduct towards our business partners, colleagues, shareholders and general public;
- 2. Accountability:** - It is a key pillar, where there cannot be a compromise in any aspect of accountability and full

responsibility, even as the management pursues profitable growth for the Company;

3. **Professionalism:** - It ensures that management teams at all levels are qualified for their positions, have a clear understanding of their roles and are capable of exercising their own judgment, keeping in view the Company's interests, without being subject to undue influence from any external or internal pressures. that management teams at all levels are qualified for their positions, have a clear understanding of their roles and are capable of exercising their own judgment, keeping in view the Company's interests, without being subject to undue influence from any external or internal pressures;
4. **Trusteeship:** It brings into focus the fiduciary role of the management to align and direct the actions of the organization towards creating wealth and shareholder's value in the Company's quest to establish a global network, while abiding with global norms and cultures.

The Company has adhered to the requirements stipulated under Regulations 17 to 27 read with Para C and D of Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as applicable, with regard to Corporate Governance and the same is disclosed in this Report.

PARTICIPATION & VOTING AT AGM

Pursuant to MCA and SEBI Circulars, the 64th AGM of the Company will be held through video-conferencing /other audio-visual means and the detailed instructions for participation and voting at the meeting is available in the Notice of the 64th AGM.

REGISTERED E-MAIL ADDRESS

To contribute towards greener environment, the Company proposes to send documents like Shareholders meeting Notice / other Notices, Audited Financial Statements, Board's report, Auditors' Report or any other document, to members in electronic form at the e-mail address provided by them and/or available to the Company by the Depositories.

Members who have not yet registered their e-mail address (including those who wish to change their already registered e-mail address) may get the same registered/updated with their depository participants in case shares are held in demat mode and with RTA of the Company, in cases shares are held in physical mode.

ECS MANDATE

Shareholders holding shares in electronic mode are requested to update their bank account details with their respective depositories urgently. This would facilitate transfer of dividend directly to the bank account of the shareholders.

Shareholders holding shares in physical form are requested to register their Electronic Clearing Services (ECS) mandate by submitting form ISR-1, ISR-2 and ISR-3 along with requisite documents to the Company's RTA.

SHARE TRANSFER SYSTEM

SEBI has mandated that, effective 1st April 2019, no shares can be transferred in physical mode. As a result, the Company has stopped accepting any fresh lodgment of share transfers in physical form. The Company had sent communication to shareholders encouraging them to dematerialize their holdings, which included the procedure for dematerialization. Also, in accordance with Regulation 40(1) of SEBI Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall only be effected in dematerialized form. Shareholders holding shares in physical form are advised to avail themselves of the the dematerialization facility to facilitate easier transfer and participation in corporate actions.

Further, pursuant to SEBI's Circular dated 25th January 2022, listed companies are required to issue securities in dematerialized form for processing any shareholder service requests, such as the issue of duplicate share certificates, endorsement, transmission, transposition, etc. After processing these requests, a letter of confirmation will be issued to shareholders, valid for 120 days, within which they must submit a dematerialization request to the Depository Participant. If the request is not submitted within 120 days, the Company will credit the shares to the Suspense Escrow Demat account. Shareholders can claim these shares from the Suspense Escrow Demat account upon submission of the necessary documentation.

ELIMINATION OF DUPLICATE MAILING

The shareholders who are holding physical shares in more than one folio in identical name, or in joint holder's name in similar order, may send the Share Certificate(s), along with request for consolidation of holding in one folio, to avoid mailing of multiple annual reports.

RECONCILIATION OF SHARE CAPITAL AUDIT

As stipulated by SEBI & pursuant to Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018., a qualified Company Secretary in practice conducts the Reconciliation of Share Capital Audit of the Company for the purpose of reconciliation of total number of shares in physical form and total number of shares in dematerialised form with the depositories, i.e. National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL"), and the total issued and listed capital of the Company.

The Company Secretary in practice conducts such audit in every quarter and issues a Reconciliation of Share Capital Audit report to this effect to the Company. A copy of such audit report is submitted to the stock exchanges, where the Company's shares are listed and also placed before the Board.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economy

The global economy demonstrated resilience throughout Calendar Year (CY) 2024, despite persistent challenges from supply chain disruptions, geopolitical tensions, and inflationary pressures carried over from CY23. Additionally, the U.S. presidential election and the victory of former President Donald Trump in November 2024 added new economic and political uncertainties, which began influencing market forecasts.

Advanced Economies

According to the International Monetary Fund (IMF), advanced economies, including the United States, Euro Area, and Japan, experienced moderate growth. The IMF estimates growth in these economies at 1.8% in CY24, slightly up from 1.6% in CY23. The U.S. economy is projected to grow by 2.8% in 2024, a marginal decline compared to 2.9% in the previous year. Despite internal economic adjustments, energy concerns, and trade tensions, the Euro Area is expected to show growth of 0.8%, up from 0.4% in CY23.

Emerging Markets and Developing Economies

Emerging markets and developing economies are projected to grow at a steady 4.3% in C.Y.24, slightly down from 4.4% in C.Y.23. India remains a growth leader with 6.5% growth for C.Y.24, though significantly lower than the 8.5% growth in C.Y.23. China is expected to maintain a growth rate of 5%, a slight decline from 5.2% in C.Y.23.

Overall, global growth for C.Y.24 is estimated at 3.3%, aligning with the pace seen in C.Y.23.

India Market Overview

According to the second advance estimate by the Ministry of Statistics, India's full-year GDP growth rate for F.Y. 2024-2025 is estimated to be 6.5%, down from 9.2% in F.Y. 2023-2024.

The robust performance of the services and agriculture sectors continues to fuel India's GDP growth. While the manufacturing sector shows a slower growth rate of 4.3% for F.Y. 2024-2025, a decline from 12.3% in F.Y. 2023-2024, the construction sector remains strong, with an estimated growth of 8.6%. The agriculture sector also showed resilience, estimated to grow by 4.6% in F.Y. 2024-2025, up from 2.7% for F.Y. 2023-2024, following favourable monsoon conditions and increased output.

A significant factor contributing to this growth is the continued rise in private consumption. Private final consumption expenditure (PFCE) is expected to grow by 7.6% in F.Y. 2024-2025, up from 5.6% in F.Y. 2023-2024, reflecting strengthened consumer demand, particularly in the middle and upper-income demographics. With rising disposable incomes, this trend is expected to continue, further driving private expenditure growth.

Despite some challenges faced by the manufacturing sector, India has seen growth in sectors like technology, healthcare and automobiles, which has provided a buffer to the overall economic performance.

Auto Segment

Industry

Amid a year marked by both global and domestic challenges, the Indian automobile industry displayed resilience, continuing its growth trajectory despite moderate economic headwinds. According to the Society of Indian Automobile Manufacturers (SIAM), total vehicle sales across all categories reached a new record of 23.85 million units in F.Y. 2024-2025, representing a 7.3% increase from the previous fiscal year.

The Indian passenger vehicle (PV) segment exhibited small growth in F.Y. 2024-2025, with total sales reaching a record 4.3 million units, growing by 2% compared to the previous fiscal year. However, this growth rate was significantly lower from the 8.4% recorded in F.Y. 2023-2024. Promotional offers and discounts played a significant role in supporting demand throughout the fiscal year. In absolute volumes, though, automakers in India reported record sales in the PV segment for the third consecutive year, underscoring the continued strength of the market.

Another noteworthy trend is the rise of electric two-wheelers (EVs), which now account for over 6% of the total two-wheeler

sales in India in F.Y. 2025. This reflects the growing shift toward more sustainable and eco-friendly mobility solutions, especially with government incentives and increasing awareness of environmental concerns. The Indian three-wheeler segment achieved its highest-ever sales in F.Y. 2025, reaching 7.4 lakh units, with a growth of 6.7% compared to the previous year.

The commercial vehicle segment saw a slight de-growth of (-1.2%) in F.Y. 2025 compared to the previous year, although the last quarter showed a positive growth of 1.5%. While the overall truck segment faced a slight decline, demand for freight movement was met through a shift toward higher GVW (Gross Vehicle Weight) vehicles. The expanding highways and expressway networks have reduced logistics costs and improved regional connectivity, positively influencing the CV sector. Additionally, infrastructure development has boosted sales of buses for inter-city travel, while growing focus on mass mobility within cities has also contributed to the segment's performance.

Tyre Segment

The tyre industry is a key player in the automotive sector, especially within the original equipment manufacturer (OEM) segment. Furthermore, the performance of the replacement segment is closely linked to the broader economic activities of the country.

According to data from the Automotive Tyre Manufacturers Association (ATMA), the industry witnessed a strong growth of 10% over a three-month period from April 2024 to June 2024. Notably, scooters and motorcycle tyre categories emerged as the frontrunners.

The other segments also saw good growth during the period as passenger car tyre category grew by 6% and commercial tyre category notched up 9% growth during the period.

SWOT ANALYSIS

Strengths

- Tyre manufacturing facility leased to Apollo Tyres Ltd. ("ATL").
- Fixed income from lease rent of the Tyre unit.
- ATL has the advantage of a diversified market base across geographies and therefore, it is not completely dependent on the Indian market alone. Further, the Company is working towards establishing and growing operations in other large markets, including ASEAN and North America
- ATL is powered by well-established product brands in its key markets – Apollo and Vredestein.

Weaknesses

- No direct presence in the Tyre market.
- Dependence on ATL.
- Any impact on margins and revenue of ATL might force ATL to renegotiate the Lease Agreement.

Opportunities

- Diversification into other sector through new investments.
- Manufacturing process of ATL leading to technology upgradation.

Threats

- Economic downturn or slowdown in the key markets of ATL (India and Europe) can lead to decreased volumes and capacity utilisation by the leasee.
- Continuing high inflation and raw material cost escalation will add to pressure on margins of ATL.
- A weak Indian currency can result in pressure on margins of the ATL, since the ATL is a net importer.

Segment-wise performance

The truck-bus, cross-ply Tyres manufactured at the Company's plant leased to Apollo Tyres Ltd. - under the brand name Apollo' are mostly sold/exported by Apollo Tyres Ltd.

Outlook

The economic outlook for CY25 remains uncertain, with US tariffs continuing to impact global trade flows. In addition, ongoing geopolitical tensions such as the Russia-Ukraine conflict, instability in the Middle East, and shifting global trade dynamics contribute to economic disruptions. China's firm stance on its economic and trade policies, including its continued resistance to concessions and trade negotiations with the West, has further exacerbated global trade uncertainties, impacting supply chains and international relations.

With such uncertainties, IMF in its April 2025 update has projected a decline in the global, advanced and Emerging markets and developing economies. It estimates the global economy to grow at 2.8% in CY25, a sharp decline from the 3.3% estimated for CY24. Advanced economies are expected drop to 1.4% as against 1.8% for CY24. Emerging markets and developing economies are projected to face a relative slowdown, with growth declining from 4.3% in CY24 to 3.7% in 2025.

Risk and Concerns from the point of view of the organization.

The Company has in place a robust risk management framework that identifies and evaluates business risks and opportunities. The Company recognizes that these risks need to be handled effectively and mitigated to protect the interest of the shareholders and stakeholders, to achieve business objectives and create sustainable value and growth. The Company's risk management processes focus on ensuring that these risks are identified promptly and a mitigation action plan is identified and monitored periodically to ensure that the risks are being addressed accordingly. The Company's risk management framework operates with the following objectives:

- Proactively identify and highlight risks to the right stakeholders.
- Facilitate discussions around risk prioritization and mitigation.
- Provide a framework to assess risk capacity and appetite; develop systems to warn when the appetite is getting breached.
- Demand-supply situation must remain in favour of the industry to enable it to undertake price increases.
- Demand in the tyre industry is dependent on economic growth and/or infrastructure development. Any slowdown in the economic growth across regions impacts the industry.
- Cyberattacks are on the rise, and ransomware and phishing scams are now a common occurrence. The cyber-attack threat of unauthorized access and disruption of business operations continues to increase across the globe.

Internal Controls and Systems

The Company believes that Internal Control is one of the key pillars of governance, which provides freedom to the management within a framework of appropriate checks and balances. It has a robust internal control framework, which has been instituted considering the nature, size and risks in the business. The framework comprises, inter alia, a well-defined organization structure, roles and responsibilities, documented policies and procedures, financial delegation of authority, etc. Information Technology (IT) policies and processes also ensure that they mitigate the current business risks. These policies are complimented by a management information and monitoring system, which ensures compliance with internal processes, as well as with applicable laws and regulations.

The Company's internal control environment ensures efficient conduct of operations, security of assets, prevention and detection of frauds/errors, accuracy and completeness of accounting records and the timely preparation of reliable financial information. The Company uses SAP – an Enterprise Resource Planning (ERP) software – as its core IT system. The systems and processes are continuously improved by adopting best-in-class processes and automation and implementing the latest IT tools. The operating management is not only responsible for revenue and profitability, but also for maintaining financial and commercial discipline. The Company has a well-established independent Internal Audit

function that is responsible for providing assurance on compliance with operating systems, internal policies and legal requirements, as well as suggesting improvements to systems and process.

The Company has also identified and documented key internal financial controls for critical processes across all plants, warehouses and offices wherein financial transactions are undertaken. The financial controls are evaluated for operating effectiveness through management's ongoing monitoring and review process, and independently by Internal Audit.

The Internal Auditor Reports functionally to the Audit Committee and administratively to the Chairman of the Company.

INDEPENDENT AUDITOR'S REPORT

for the Financial year from April 1st, 2024 to March 31st, 2025

To the Members of

PTL Enterprises Ltd.

Report on the Audit of the Ind AS Financial Statements

Opinion

1. We have audited the accompanying Ind AS financial statements of **PTL Enterprises Ltd. ("the Company")**, which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss (including the Statement of Other Comprehensive Income) for the year ended 31st March 2025, the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2025 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Information other than the Ind AS Financial Statements and Auditor's Report Thereon

5. The Company's management and Board of Directors are responsible for the other information. The other information comprises the Director's Report, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS financial statements does not cover other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind AS Financial Statements

6. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibility for the Audit of the Ind AS Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Ind AS financial statements, including the disclosures, and whether the Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. Materiality is the magnitude of misstatements in the Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Ind AS financial statements.
 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

15. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure-A**", a statement on the matters specified in Paragraphs 3 and 4 of the Order.
16. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph (vi) below on reporting under Rule 11(g);
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other Comprehensive income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure-B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal controls over financial reporting.

- (g) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) and paragraph (h) (vi) below on reporting under Rule 11(g).
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its Ind AS Financial Statements – Refer Note C5(a) to the Ind AS Financial Statements.
 - ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The dividend declared or paid (including proposed dividend) during the year by the Company is in compliance with Section 123 of the Act.
 - vi. Based on our examination, which included test checks, the Company has used accounting softwares for maintaining its books of account for the financial year ended 31st March 2025 which has a feature of recording audit trail (edit log) facility in respect of the application and the same has operated throughout the year for all relevant transactions recorded in the softwares. However, for super user level access, any unauthorised changes to database by super users specifically, does not carry feature of real time audit trail. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

17. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration for the year ended 31st March 2025, has been paid / provided by the Company to its manager in accordance with the provisions of section 197 read with schedule V to the Companies Act, 2013. The Company has not paid any remuneration to its directors during the year ended 31st March 2025.

Annexure-A to Independent Auditor's Report

Referred to in Paragraph 15 of the Independent Auditor's Report of even date to the members of **PTL ENTERPRISES Ltd** on the Ind AS Financial Statements for the year ended 31st March 2025

- (i) (a) According to the information and explanations provided to us and on the basis of books and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The company does not carry any intangible Assets, therefore the Paragraph 3(i)(a)(B) of the Order is not applicable to the Company.
 - (b) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that, the verification of Property, Plant and Equipment has been conducted by the management during the year. All the Property, Plant and Equipment have not been physically verified by the management during the year, however, there is a regular phased programme of physical verification which, in our opinion, is reasonable having regard to the size of the Company and nature of its fixed assets. No discrepancies were noticed on such verification.
 - (c) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that title deed of immovable properties (Other than property where the Company is a lessee and lease agreement is duly registered executed in favour of lessee) disclosed in the Ind AS Financial statements are held in the name of Company.
 - (d) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) during the year.. Consequently, the question of our commenting on whether the revaluation is based on the valuation by a Register Valuer, or specifying the amount of change, if the change is 10% or more in the aggregate of the net carrying value of each class of Property, Plant and Equipment does not arise. Since the Company does not carry any Intangible Assets, the revaluation thereof is not applicable.
 - (e) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that, no proceedings have been initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The Company does not have any inventory, therefore paragraph 3(ii) (a) of the order is not applicable to the Company.
 - (b) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that, the Company has not been sanctioned working capital limit in excess of Rs. 5 Crores, in aggregate, from banks or financial institutions on the basis of security of loans. Hence reporting under clause 3(ii) (b) of the Order is not applicable to the Company.
- (iii) To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that the Company, during the year under audit, has not provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties; however, has made investments in other company's securities.
 - (a) The Company has not granted any loans or 'advances in the nature of loans', secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties, and/or provided any guarantee or security to any other entity. Accordingly, the requirements to report under paragraph 3(iii)(a) (A) & (B) of the Order are not applicable to the Company.

- (b) There are no guarantees provided or security given by the Company, however, in earlier year, Company has made investments in other company's securities, the terms and conditions of which, in our opinion, are, prima-facie, not prejudicial to the interest of the Company.

Annexure-B to Independent Auditor's Report

Referred to in Paragraph 16 (f) of the Independent Auditor's Report of even date to the members of **PTL ENTERPRISES Ltd** on the Ind AS Financial Statements for the year ended March 31, 2025

Independent Auditor's Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the Ind AS Financial Statements of PTL ENTERPRISES LTD. ("the Company"), as at and for the year ended March 31, 2025, we have audited the internal financial controls over financial reporting of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors / Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:
 - a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
 - b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and

expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

- c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

- 7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MATERIAL ACCOUNTING POLICIES AND NOTES FORMING PART OF THE FINANCIAL STATEMENT

1 General information:

PTL Enterprises Ltd., (formerly known as Premier Tyres Ltd.) (PTL) having CIN No L25111KL1959PLC009300 was incorporated as a public limited company in the year 1959 . The company's registered office is situated at 3rd floor, Areekal Mansion, Near Manorama Junction, Panampilly Nagar, Kochi- 682036. The tyres manufacturing facility of PTL at Kalamassery, Kerala, is leased out to ApolloTyres Ltd. on long term basis. All production is done by Apollo Tyres Ltd. The company is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE).

2 Material accounting policies:

2.1 Basis of preparation and statement of compliance:

The financial statements have been prepared to comply in all material respects with the Notified accounting standard under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015, as amended. The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on an accrual basis except for certain financial instruments which are measured as fair values at the end of each reporting period as explained in the accounting policies below.

The accounting policies have been consistently applied by the company except where a newly-issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Historical Cost is generally based on the fair value of the consideration given in exchange of goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and / or disclosure purposes in these financial statements is determined on such a basis.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the assets or liabilities either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

The financial statements were approved for issue by the company's Board of Directors on 14th May, 2025.

2.2 Use of estimates and judgements:

The preparation of financial statements in conformity with Ind AS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

2.3 Property plant and equipments (PPE):

Property, plant and equipments are stated at cost less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Borrowing costs relating to acquisition of PPE which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such assets beyond its previously assessed standard of performance.

Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as Capital Work in Progress. Leasehold land is amortized over the period of lease proportionately.

Transition to Ind AS

On transition to Ind AS, the company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1 April, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

2.4 Intangible assets:

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably.

Intangible assets are stated at original cost less accumulated amortisation and impairment losses, if any

The intangible assets are amortized over their respective individual estimated useful life on a straight line basis, commencing from the date the asset is available to the company for its use. The amortization period is reviewed at the end of each financial year and the amortization method is revised to reflect the changed pattern.

2.5 Depreciation:

Depreciation on PPE is provided on the straight-line basis at the rates specified in Schedule II of the Companies Act, 2013.

2.6 Borrowing costs:

Borrowing Costs are capitalized as a part of qualifying asset when it results in future economic benefits. Other borrowing costs are expensed.

2.7 Financial Instruments:

(i) Initial recognition:

The company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

(ii) Subsequent measurement:

a) Financial assets carried at amortized cost:

A financial asset is subsequently measured at amortized cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows, and the contractual terms of the financial asset give rise on specified date to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial assets carried at fair value through other comprehensive income:

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payment of principal and interest on the principal amount outstanding. Further, in cases where the company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognised in other comprehensive income.

c) Financial assets carried at fair value through profit or loss:

A financial asset which is not classified in any of the above categories is subsequently fair valued through profit or loss.

d) Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance sheet date, the carrying amount approximate fair value due to the short maturity of these instruments.

e) Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

(iii) Derecognition of financial instruments:

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of financial liability) is derecognized from the company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

(iv) Fair value of financial instruments:

In determining the fair value of its financial instruments, the company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The method used to determine fair value include available quoted market prices and discounted cash flow analysis. All methods of assessing fair value result in general approximation of value, and such value may never actually be realized.

For financial assets and liabilities maturing within one year from the balance sheet date and which are not carried at fair value, the carrying amounts approximates fair value due to the short maturity of these instruments.

2.8 Classification of financial assets:

Classification of financial assets depends on the nature and purpose of the financial assets and is determined at the time of initial recognition.

The company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

A financial asset that meets the following two conditions is measured at amortised cost unless the asset is designated at fair value through profit or loss under the fair value option :

- Business model test : the objective of the company's business model is to hold the financial asset to collect the contractual cash flows.
- Cash flow characteristic test : the contractual term of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at fair value through other comprehensive income unless the asset is designated at fair value through profit or loss under the fair value option:

- Business model test : the financial asset is held within a business model whose objective is achieved by both collecting cash flows and selling financial assets.
- Cash flow characteristic test : the contractual term of the financial asset gives rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are measured at fair value through profit or loss.

2.9 Investments in equity instrument at fair value through other comprehensive income (FVTOCI):

On initial recognition, the company can make an irrevocable election (on an instrument by instrument basis) to present the subsequent changes in fair value in other comprehensive income pertaining to investment in equity instruments. This election is not permitted if the equity instrument is held for trading. These elected investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains / losses arising from changes in fair value recognised in other comprehensive income. This cumulative gain or loss is not reclassified to statement of profit and loss on disposal of the investments.

The Company has equity investments in certain entities which are not held for trading. The Company has elected the fair value through other comprehensive income irrevocable option for such investments. Dividend on these investments are recognised in statement of profit and loss.

2.10 Inventories:

Inventories are valued at lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and to make the sale.

2.11 Revenue recognition:

The company recognises revenue when the company satisfies a performance obligation by transferring a promised service (i.e., an asset) to a customer. An asset is transferred when the customer obtains control of that asset and it is probable that the company will collect the consideration to which it will be entitled in exchange for the services that will be transferred to the customer.

Revenue is measured at the transaction price. The transaction price is the amount of consideration, taking into account contractually defined terms of payment and its customary business practice, to which company expects to be entitled in exchange for transferring promised services to a customer, excluding amounts collected on behalf of third parties i.e excluding taxes or duties collected on behalf of the government.

Other income:

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend income from investments is recognised when the right to receive payment has been established (provided that it is probable that the economic benefit will flow to the company and the amount of income can be measured reliably).

2.12 Employee benefits:

(i) Short term employee benefits:

All employee benefits due wholly within twelve months of rendering of services are classified as short term employee benefits. Benefits like salaries, wages, leave salary, contribution to provident fund/ employee state insurance contributions etc. paid or payable during the reporting period and the expected bonus expense are recognised as an expense on an undiscounted basis in the period in which the employee renders the related service.

(ii) Long term employee benefits:

Liability for long term compensated absences is determined on the basis of actuarial valuation as on the balance sheet date.

(iii) Post-employment benefits:

a) Defined contribution plan:

The state governed provident fund scheme, employees' state insurance scheme and employees pension scheme are defined contribution plans. The company has no obligation, other than the contribution payable to the provident fund scheme, employees' state insurance scheme and employees pension scheme. The contribution paid /payable under the schemes is recognised as an expense during the period in which employee renders the related service.

b) Defined benefit plan:

The company's gratuity is defined benefit retirement plan. The company 's liability towards gratuity is determined using the projected unit credit method which recognises each period of service as giving rise to additional unit of employee benefit entitlement.

The liability is provided based on actuarial valuation certified by consulting actuary. The company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, the effect of the asset ceiling (excluding amounts included in net interest on the net defined benefit liability) and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability) relating to retirement benefit plans are recognised in other comprehensive income which are not reclassified to statement of profit and loss in subsequent periods.

2.13 Taxes on income:

The accounting treatment followed for taxes on income is to provide for current income tax and deferred income tax. Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior period is the aggregate amount of income tax determined as payable in respect of taxable income for the period, using the tax rates and tax laws that have been enacted or substantially enacted by the balance sheet date. Deferred income tax asset and liability are recognized for all temporary differences arising between the tax base of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction. Deferred income tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax are not provided on the undistributed earnings of subsidiaries where it is expected that the earnings of the subsidiary will not be distributed in the foreseeable future. The company offsets

current tax asset and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

2.14 Expenditure on new projects:

Expenditure directly relating to construction activity is capitalized. Indirect expenditure incurred during construction period is capitalized as part of the indirect construction cost to the extent to which the expenditure is related to construction or is incidental thereto. Other indirect expenditure (including borrowing costs) incurred during the construction period which is not related to the construction activity nor is incidental thereto is charged to the statement of profit and loss. Income earned during construction period is deducted from the total of the indirect expenditure.

2.15 Provisions:

- i) Provision is recognised (for liabilities that can be measured by using a substantial degree of estimation) when:
 - a) the company has a present obligation as a result of a past events.
 - b) a probable outflow of resources embodying economic benefits is expected to settle the obligation; and
 - c) the amount of the obligation can be reliably estimated.
- ii) Contingent liability is disclosed in case there is:
 - a) possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company; or
 - b) a present obligation arising from past events but is not recognised because :
 - (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (ii) a reliable estimate of the amount of the obligation cannot be made.

2.16 Reimbursement of expenses:

The manufacturing and operating expenses of the company reimbursed by M/s Apollo Tyres LTD.. in terms of operating lease are deducted from the total expenses and only net expenses are taken to statement of profit and loss.

2.17 Impairment:

(i) Financial assets:

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing components is measured at an amount equal to lifetime ECL. For all other financial assets, ECLs are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of ECLs (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized is recognized as an impairment gain or loss in the statement of profit and loss.

(ii) Non-financial assets:

Intangible assets and property, plant and equipment:

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment loss to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

2.18 Earning per share (EPS):

Basic EPS are computed by dividing the net profit or loss for the period attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the period. Diluted earning per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

2.19 Leases:

As a lessee

The Company has lease contracts for Office premises. The Company assesses whether a contract contains a lease at the inception of the contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset, (2) the Company has substantially all of the economic benefits from the use of the asset through the period of the lease, and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a ROU asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. ROU assets represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease.

For short-term leases and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease. The lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight-line basis over the shorter of the lease term and the useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance fixed), variable payments based on an index or rate, amounts expected to be payable under a residual value guarantee and payments arising from options reasonably certain to be exercised. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest.

For leases under which the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate based on the information available at the date of commencement of the lease in determining the

present value of lease payments. Lease liabilities are re measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment as to whether it will exercise an extension or a termination option.

In the statement of financial position, lease liability is included under other financial liability and ROU assets is included in property, plant and equipment's and the payment of principal portion of lease liabilities has been classified as financing cash flows.

As a Lessor

Leases under which the lessor assumes substantially all the risks and rewards of ownership are classified as finance leases. Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease. Amount due from lessee under finance lease are recognized as receivables at the amount of the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment outstanding in respect of the leases. Rental income from operating leases is recognized on a straight line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern of the users' benefits or the payments to the lessor are structured to increase in line with expected general inflation.

2.20 Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

2A. Implementation of New/ Modified Standards

During the year, the Ministry of Corporate Affairs (MCA) has made amendments to the existing standards. The Company has analysed the impact of these amendments which is not material to the Company. Further, MCA has not issued any new Ind-AS applicable to the company.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of quoted equity shares, quoted corporate debt instruments and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e; as prices) or indirectly (i.e; derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

There has been no transfers between level 1, level 2 and level 3 for the years ended March 31, 2025 and March 31, 2024.

Borrowings	2,112.85	-	-	2,112.85
Other non-current financial liabilities	3,499.62	-	-	3,499.62

The short-term financial assets and liabilities are stated at amortized cost which is approximately equal to their fair value.

Management uses its best judgment in estimating the fair value of its financial instruments. However, there are inherent limitations in any estimation technique. Therefore, for substantially all financial instruments, the fair value estimates presented above are not necessarily indicative of all the amounts that the Company could have realized or paid in sale transactions as of respective dates. As such, the fair value of the financial instruments subsequent to the respective reporting dates may be different from the amounts reported at each year end.

b) Financial risk management

In the course of its business, the Company is exposed primarily to liquidity and credit risk, which may impact the fair value of its financial instruments.

The Company has a risk management policy which covers the risks associated with the financial assets and liabilities such as credit risks. The risk management policy is approved by the board of directors.

i) Market risk (equity price risk)

Equity price risk is related to the change in market reference price of the investments in equity securities.

The fair value of some of the Company's investments measured at fair value through other comprehensive income exposes the Company to equity price risks. These investments are subject to changes in the market price of securities. The fair value of Company's investment in quoted equity securities as at 31st March 2025 and 31st March 2024 was **₹45,780.06 Lakhs** and ₹50,121.13 Lakhs respectively. A 10% change in equity price as at 31st March 2025 and 31st March 2024 would result in an impact of **₹4,578.00 Lakhs** and ₹5,012.11 Lakhs respectively.

(Note: The impact is indicated on equity before consequential tax impact, if any).

ii) Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks.

Financial instruments that are subject to concentrations of credit risk, principally consist of investments classified as fair value through profit or loss, trade receivables, loans and advances and derivative financial instruments. None of the financial instruments of the Company result in material concentrations of exposure to credit risks.

Exposure to credit risk

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk as at 31st March 2025 was **₹391.23 Lakhs** (₹820.90 Lakhs as at 31st March 2024) being the total of the carrying amount of balances with banks, short term deposits with banks and other financial assets excluding equity investments.

None of the Company's cash equivalents, including time deposits with banks, are past due or impaired. Regarding trade receivables and other receivables, and other loans or receivables that are neither impaired nor past due, there were no indications as at 31st March 2025, that defaults in payment obligations will occur.

iii) Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit and liquid and liquid plus schemes of mutual funds, which carry no/low mark to market risks.

C15 Reconciliation of liabilities from financing activities

Ind AS-7 require the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities, to meet the disclosure requirements. This does not have any impact on the financial statements, accordingly, the reconciliation is not disclosed.
